Please read these notes and instructions carefully before completing this form. Be sure to read every section and that the information you provide is accurate.

- 1 Application forms that are incomplete will be disregarded. Please ensure that you attach proof of academic results: current matriculants do not need to provide preliminary results – final grade 11 will suffice. The earlier you apply the better your chances.
- 2 Closing date for applications is 31 May.
- 3 Bursaries will only be allocated for next year.
- 4 You must supply all the information requested, or explain why you cannot provide it.
- 5 Applicants applying for bursaries with less than an achievement level of 6 in Mathematics and Science will not be considered for Engineering / Geology and Science degrees and a minimum achievement level of 6 for mathematics is required for accounting degrees. Mathematics literacy will not be accepted.
- 6 Do not send original documents, please attach copies.
- 7 Please note that as all our bursaries/scholarships are dependent on our client companies' future manpower requirements, we do not always have bursaries for all disciplines. - 9 Kindly fill in your name, postal address and postal code in the panel at the bottom of the front page.
- 10 It is your responsibility to apply for entrance to university and for other options for financial support. We recommend that you apply to at least two universities and for many funding options/bursaries.
